SWEET-PEA WEDDING.

The happy marriage of Miss Cora Mae Barnes and Mr. Horace L. Sabourin was solemnized at the Baptist church Wednesday evening at 8:30 o'clock, Rev. R. S. Duncan officiating. The church was beautifully decorated for the occasion with flowers, vines and ribbons. Palms and sweet-peas were the principal floral decorations.

The bride wore a beautiful gown of white silk muller over white taffeta silk handsomely trimmed in crescents of Irish point lace and made en train. The bridal veil of illusion was held in place by a wreath of orange blossoms. She carried a shower bouquet of white sweet-peas, tied with white tulle, the streamers falling to the hem of her gown.

Miss Stella Barker, of St. Louis the maid of honor, was gowned in silk muller over organdy, the dress was beautifully trimmed with Duchess lace medallions and made with a train. She carried a shower bouquet of pink sweet-peas, tied with pink tulle.

The bridesmaids, Misses Blanche Gove and Gertrude Sharpe wore large white hats and handsome gowns of white Irish swiss over organdy, elaborately trimmed in lace. They carried shower bouquets of lavender sweet-peas tied with lavender tulle.

The groom wore the conventional black.

Mr. Arthur Barnes acted as best man, and Messrs Frank Sabourin of St. Louis, and R. A. Barley, groomsmen. Charles Chapin, Charles Roberts, James McQuie and Homer Sabourin were the ushers.

At 8 o'clock Miss Jessie Suggett sang the beautiful and appropriate song "Promise Me", this was followed by the beautiful piece, "The Flower Song" played by Miss Mabel Jones of Warrenton, Mo. Then just before the bridal procession entered, Miss Callie Hoffman, of Fulton, Mo., sang the beautiful song, "With You."

Promptly at 8:30 o'clock the first notes of Lohengrin's wedding march sounded, played by Miss Genevieve Barley. Rev. Duncan took his station at the rail and stood waiting to receive them. The bridal procession was led by the ushers followed by the misses Grace Hayden and May-belle Gove, then came the groomsmen followed by the bridesmaids and then the maid of honor. Directly in front of the bride and her father came the little girls, Pauline and Marjorie.

From the church study on the right came the groom and groomsmen which completed a semi-circle with the bride and groom in the centre directly in front of Rev. Duncan who, after the father of the bride gave his daughter in marriage, pronounced the solemn words that made the two as one.

Following the ceremony at the church, a most delightful reception was held at the home of the bride's parents. After the wedding supper was served the bridal party left amid a shower of rice and the best wishes and congratulations of their host of friends, for Colorado where they will spend some time visiting points of interest.

Paine's Celery Compound CURES RHEUMATISM.

Rheumatism, which does its terrible work in the muscles, joints, and tissues, is caused by uric acid which gathers in the blood. To get rid of this poisonous acid which produces the irritations, pains, agonies, inflammations, and swellings peculiar to rheumatism, Paine's Celery Compound should be used without delay. No other medicine gives such prompt, cheering, and happy results. It is the only medicine that prevents a return of the dreaded disease. Paine's Celery Compound braces the nerves, the blood is quickly cleared of all irritating poisons, tissue and muscle are built up, and the digestive organs perfectly toned. Do not treat with indifference the slightest rheumatic symptoms; the early use of Paine's Celery Compound will save you weeks and months of suffering. Mr. S. D. Conway, St. Louis, Mo., was permanently cured by Paine's Celery Compound after repeated failures with other medicines and physicians; he says:—

"I am 64 years of age, and have lived in St. Louis 27 years, and all this time with the exception of three years, I have served in the Engineers' Department as Inspector. Last winter I contracted rheumatism and was laid up. I tried all remedies and doctors, but all failed until I struck Paine's Celery Compound, which has made a permanent cure in my case. I have recommended it to many, and they have used it with the same result."
